Reason for Allowance

1. Claims 1-44 are allowed over prior art.
2. The following is an examiner's statement of reasons for allowance: Although the combined prior art of Puente et al who teaches implementing protocol spoofing to improve performance of large file transfers whereby traffic is depleted after peak period and Jabbari et al who teaches VSATs that utilize protocol spoofing technique along with VSATs system parameters, configuration and satellite access scheme, they fail to teach or suggest receiving data from a platform configured to support enhancing functions including protocol spoofing and receive backbone connection parameters whereby the backbone connection maintains a profile that includes backbone connection parameters associated with a backbone connection to a peer platform and connection parameters include information relating to traffic compression and protocol spoofing.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
